LIN DINING TABLE

TECHNICAL INFORMATION

Custom sizes and finishes available. Table as shown is an extension, shown closed at 10' and a modifying base that expands to 18' with four drop-in leaves. The expanded base orientation can be applied to a non-extension/static dining table, but a longer proportion is recommended. Various top shapes and edge options available. Metal base cladding can be applied, as can metal top in-lay in any extension seams. Call for full range of customization and extension options. Leaf carts are also available.
