TAO BAR | COUNTER STOOL

TECHNICAL INFORMATION

Available in all Hellman-Chang Walnut and limited Oak finishes (call to inquire). Sapele finishes will be matched on Walnut. Custom finishes available. Each stool requires 2 yards COM of 54" w fabric, or 30 squared feet of usable leather COL. Narrow or patterned fabric may require more. Seat height can be adjusted, with arm height and backrest overall height to follow the same adjustment. Contact us for customization and more information.
