NEW PRODUCT LAUNCH

SPRING 2023

Born out of a passion project between two childhood friends, and now with 15 years of business under our belt, Hellman-Chang is proud to stand amongst the finest furniture lines in the world.

Since our move to Dawsonville, Georgia in 2019, we've helped raise the bar for bespoke quality and hand craftsmanship in America, thanks to a team of dedicated artisans and a state-of-the-art facility. We've also been able to elevate our customer experience and deliver world-class service, all while expanding our design and production capabilities.

This season, we've challenged ourselves to recreate livable luxury in our timeless Hellman-Chang style - using a mixture of wood, stone, and metals - complimented with a beautiful blend of soft, organic, and geometric shapes. The new collection features an expertly crafted dining chair, lounge chair, nightstand, bed, dining table, and more.

Hellman-Chang invites you to renew your relationship with fine furniture at the intersection of distinction and comfort. All Crafted in America.
