PAVILION COCKTAIL TABLE

TECHNICAL INFORMATION

"Nesting" Tabletops are connected by a single base design. Design can be specified Left Facing or Right Facing - see layouts below. Features metal in-lay in legs and metal under-base cladding. Tops can be done in a contrasting wood finish or 3cm stone. Solid wood tops have a carved perimeter lip - stone tops do not. Customizable in size and finish - contact us for options. Also available as a side/martini table and console.
