SYDNEY BED

TECHNICAL INFORMATION

Custom sizes and finishes are available. The Sydney Bed is designed as a platform bed to hold a mattress only (not a box spring). The side rails and recessed footrail panel can be ordered in matching COM/COL, or specified in contrasting wood, fabric, or leather. Features solid Brushed Brass feet that can be done in any metal finish. There is no storage space designed underneath the platform. Contact us for more information or customization.

AVAILABLE SIZES

71.25"W X 89"D X 42.5"H
